## Skills

---

- Java | Python | Nodejs | JavaScript | MSSQL | Express | React | Redux | Git | Jest | Lambda
- OOP | Unit Testing | Typescript | SRD | UML | Frontend | Backend | Full Stack | UI – UX

## Experience

---

**Software Engineer**                      **Semicolon Labs**                      **Yaba, Lagos**    **02/2024 - current**

- Led the design, development and testing of a proctoring system targeted at reducing online examination/test malpractice or manipulation by 12%, increasing efficiency and accountability of online assessment using the latest technologies of Face API, TensorFlow Node, CryptoJs.

**Mobile Developer**                      **Revo Energy**                      **Contract**    **08/2023 - 12/2023**

- Designed and implemented scalable APIs and background worker for managing access to cooking energy using Java – spring boot, React Native, React Hooks and Redux and other technologies that serves the public request daily.
- Led the design of Revo web and mobile UI/UX using Figma to develop easy and user-friendly interface.

**Software Engineer Intern/Trainee**                      **Semicolon Africa**                      **Yaba, Lagos**    **09/2022 – 09/2023**

- Completed one year of software engineering training studying and implementing multiple prototype and project on backend, frontend, industrial designs, database, mobile development, System requirement document, UMLs, ERDs, SD and Flow Charts.
- Led the Design and Development of a Chromium cross browser Extension, BIME. driving the efficiency of browser time by blocking harmful and unwanted domains on a timer with matching algorithm to track user preference using Chrome management API, Chrome manifest v3, Java spring, React

## Projects

---

- **BIME:** Cross browser extension (Chrome management API / manifest v3) link to demo
- **MRS:** Movie recommendation system (python - flask, React-Vite) link: [mrs.com](https://mrs.com)

## Education

---

**National Diploma**                      **Osun College of Technology**                      **04/2019 – 08/2021**

- Major in Business Administration and Management.

## Certificate

---

- **Henley Business School UK:** Certificate of completion | business management.
- **Semicolon Africa:** Certificate of completion | Software engineering and Design thinking.
- **Wave:** Certificate of Completion | Employability Skills
